6. (Unclassified - [REDACTED] Talked with Jack White, in the office of Representative Joel T. Broyhill, and advised him that on the basis of our prior meeting, the Inspector General had thoroughly investigated the claims made by [REDACTED] that he found no basis for [REDACTED] claim for overtime pay nor did he find any basis for action on the criminal charges which [REDACTED] had made. (See IG memo.) Mr. White said [REDACTED] had been in touch with them repeatedly but he was going to close out the case indicating that Mr. Broyhill had received the substance of the IG's report and was not in a position to take any further action.

8. (Internal Use Only - [REDACTED] Met with Mr. John H. Martiny, Associate Counsel, House Post Office and Civil Service Committee, who advised that Congressman James H. Morrison had introduced a new pay bill in the House today that was similar to the bill as amended on the floor last week with the exception of provision for elected Members of Congress. Such a bill would obviously require quite a bit of change before final action could be taken on it.

Gullledge, Staff Director & Counsel, Senate Post Office and Civil Service Committee, who advised that there are no present plans for introduction of a pay bill through the Senate Committee, but that he is aware of our interest and will advise should such a bill come up for consideration in that Committee.
